# Banish the Brrrr!

## Tastefully Toasty Chill Chasers

For You, Your Horse, Your Home.

**My name is Lottie and I'm at least thirty years old...**

I went through the Fauquier Livestock Exchange in the late 70s. In the 90s, I had to be rescued. Life is good now except for the weather. In December, it was so cold, my legs started to shake. My dear friend dashed to Horse Country and found me this perfect fitting foal blanket. It keeps me toasty warm on the coldest nights. Now I don't have to move to Florida. I can stand in the sun all day and call to the cars and trucks as they go down the country road where I live. Everyone knows me.
