

In the Mix

Horse Country is proud to announce that we will once again be sponsoring the Warrenton Horse Show Hunt Night. The hunt classes are always a highlight of what is a Labor Day Weekend tradition for foxhunters throughout Virginia and the mid-Atlantic region. Horse Country will be giving cash prizes and hosting the Exhibitors' Party Sunday night. We hope to see many of our friends there, either competing in hunt attire or cheering fellow hunt members on. Since the weather can be hot, if you don't have a lightweight black hunt coat, now's the time to come in so that buttons and hunt colors can be applied. Both hunt jackets and frock coats are available in warm weather-friendly weights. We'll also be giving gift certificates to winners in the breeding division.

Warrenton Horse Show

August 29 - September 2, 2012.

Hunt Night starts at noon on Sunday, Sept. 2.

Breeding division starts after the VHSA class on Saturday morning, Sept. 1.

Calling All Juniors!

If your child is attending a riding camp or taking lessons this summer, he or she will do better and be safer if outfitted with proper riding attire. Horse Country has put together a [Summer Camp package](#) for your young rider: paddock shoes, pull-on riding pants, gloves, and an approved helmet, all for just **\$89.95**. And with the purchase of the full package we'll throw in a special Horse Country tee-shirt designed especially for them!

We realize that sometimes parents are reluctant to invest in equipment until they know whether their child will continue in the sport, and we understand that. But one experienced instructor who specializes in beginner students offers this advice: "When trying out a new sport, not having the proper attire may cause the child to drop out. Using shoes rather than boots can result in damaged toes. Blue jeans can result in painful rubs and bruises. Tender bare fingers develop blisters from holding reins. Shared helmets are almost never properly fitted, mitigating any safety benefits. All of this can result in a child who loses interest in riding. Having the proper outfit means your child will fit in and be safer and more comfortable, making it easier to concentrate on learning."

Free Horse Country child's tee-shirt with purchase of Summer Camp Package!

Give your child every opportunity to succeed with a safe helmet, protective boots, gloves, and pants that will make learning to ride fun!

Pesky Pests

Flies are a fact of life if you have horses. But it doesn't mean you can't control the little devils. Horse Country stocks the most popular brands of fly control from sprays to wipes, to leg wraps and fly sheets. Old favorites, new formulas, all naturals and fly whisks too when nothing but a second tail will do!
